# About Us

## ■ Supporting your success

CIJ has the utmost patience for students along with the best studying environment

## ■ Specialize in Communication Training

CIJ offers more One-on-one classes because we focus on English communication skills than any other academy. Additionally, we employ native English teachers (foreigners) to help students to improve their English pronunciation.

## ■ We are different

Studying in the Philippines gives students a great opportunity to develop their English skills through our One-on-one and Native Group Class. Our school provides great accommodation and the best facilities, within a safe and stimulating learning environment.

# Junior ESL Program

CIJ started as Junior Program in 2003. We have gained extensive experience with systematic student management and smooth communication with guardians. Up to the present, CIJ always puts student's first that is why we have Mentoring System, Weakness Cure System, Safety System, Health Care System and lastly, Every1 Care System for better stay and learnings.

## Class Type

- Duration : 1 to 24 weeks
- 50 minutes class with a 5 minutes rest in between
- Course start : Every week, on Monday
- Training Target : From 8 to 17 years of age
- Every Friday, the 50 minutes class is shortened by 40 minutes.

## Class Outline

- Our one-on-one classes are tailor-made for each student's individual requirements
- To ensure the maximum safety and welfare of our students we provide a 24 hour a day care system
- Enjoy a comfortable life while staying in the campus
- Beginner-level students are very welcome

## Course Details

Weekly level tests and careful analysis by our teachers allows CIJ to find students' weak areas in English. We can then focus on these shortcomings and maximize their strengths to ensure improvement. Everyday we have a P.E class which students can enjoy Swimming or outdoor sports. We always make sure that our students have a proper hygiene for them to feel comfortable all the time.

A photograph of a tall coconut palm tree against a dark sky. The tree's trunk is long and slender, extending from the bottom right towards the top left. The fronds are large and feathery, with some showing signs of wear or damage. In the lower right corner, the top of another palm tree is visible, partially obscured by the main tree's trunk. The overall lighting is dim, suggesting a night or twilight setting.
